

Board member : Michael Kennedy
Remit : Surety
Board member since : 9-4-2014

General information:

Michael has spent more than 40 years working in guarantee & surety business. He successfully managed guarantee business through good times and not so good times. This included leading all aspects of the business, risk control, underwriting, reinsurance, claims and client service management. He is still active in a consulting role.

He has served on the board of STECIS since 2014. He has acted as tutor on some courses also.

Michael was an active delegate to International Credit Insurance and Surety Association meetings for many years and was Chairman of the Surety committee for a number of years.
