

BEST PRACTICES IN UNCERTAIN TIMES UNDERWRITING, CLAIMS HANDLING AND BUSINESS DEVELOPMENT IN SURETY TODAY

A two-day in-depth advanced level training seminar in Surety for professionals in the Surety industry. The seminar is focused on the best practices in Surety from leading surety companies, especially with respect to underwriting the clients and the bonds, claims handling and business development (sales) in Surety today.

The participants of the seminar will join the credit committee of the fictitious Surety company Sun and Fun Surety and are requested to study case studies and to make decisions in these cases. The seminar provides theoretical and practical information on how to run a Surety operation. Furthermore, the seminar provides a great opportunity to meet and network with underwriters, reinsurers, brokers and other surety professionals from all over the world.

The training seminar includes case studies and in-depth discussions.

Participants are asked to prepare before the training seminar by reading the provided documents and are asked to prepare case studies in advance of the seminar. The preparation time is estimated to be about 4 hours.
