

Tutor : Sjaak Groenveld  
Remit : Credit Insurance  
Tutor since : 2010

#### General information:

During his Higher Vocational Education Business Economics Sjaak joined Atradius as trainee and after obtaining his degree he stayed 'for real'. He started as a Buyer Risk Underwriting and over 20 years he had various positions in Buyer Risk Underwriting with various tasks ranging from risk analysis, buyer and customer visits, involvement in policy wording and automation of processes. Since over 10 years he is focussed on high risk cases and distressed buyers in the so called Special Risk Management department. This includes Underwriting and Recovery/Collection cases.

In addition he is involved in Surety Underwriting.

Sjaak is since 2010 tutor with Stecis.
